Giannoula Florou
Theodore Chadjipadelis

Conference Sessions

The aim of the Conference is to highlight the recent developments and applications of Data Analysis (L' Analyse des Données) methods in various scientific fields such as:

- Social and Political Sciences
- Marketing and Business Administration

- Banking and Finance
- Biostatistics and Bioinformatics
- Biometry
- Data mining
- Education
- Psychology
- Health Sciences
- Library Science
- Linguistics
- Multicriteria Analysis and Decision Making
- Theoretical Developments in Data Analysis

Abstract Submission

Authors willing to present a paper should submit a single page abstract in English by **June 30, 2022** to info@gsda.gr. The text should be written in Microsoft Word or similar word-processing software, in Times Roman 11 pts, single spaced, justified. The paper's title should be centered, in bold, with a font size of 19 pts. The author names and affiliations should be written in lower case, centered, with a font size of 12 pts. Please also indicate the corresponding author.

Authors who submit an abstract will be notified of acceptance by **July 18, 2022**. Submission of a paper should be regarded as an undertaking that, should the paper be accepted, at least one of the authors should register by **September 4, 2022**.

The conference will be held in a hybrid/in-person format. Interested parties are requested to indicate their choice of format, virtual or fully local, with abstract submission.

Opportunities for publication after the conference

- Selected papers in English will be published to a special issue of an international journal (to be announced soon on the conference website).

- Selected papers will be published after peer review in Data Analysis Bulletin (<https://ejournals.epublishing.ekt.gr/index.php/dab>), a journal published by the Greek Society for Data Analysis. Paper submission guidelines are available on the journal's website. Participants should submit their paper in English by **November 15, 2022**.

- Participants who wish to have their paper published in the conference e-proceedings should submit their paper by **November 15, 2022** to info@gsda.gr. The manuscript should not exceed 6 pages.

Registration

You can register to the conference via the [registration form](#).

Participation cost

Faculty members/researchers: **100EUR** (physical presence) or **80EUR** (online, via Zoom)

Students (undergraduate/postgraduate/post-doctoral and PhD students): **30 EUR** (either physical presence or online)

Students of the University of Western Macedonia can attend the conference **free** of charge.

The participation fee can be paid either at the secretariat at the beginning of the conference or via bank transfer: **IBAN GR8201107630000076300194883** (NATIONAL BANK) and beneficiary is the Greek Society for Data Analysis*. A confirmation message will be sent to the email you have provided in your registration form. The official receipt will be sent to you after the end of the conference.

* Charges are borne by the Beneficiary.

Accommodation

The following rates have been arranged:

- [Hotel Achillion](#) (35€ single, 50€ double/night incl. breakfast + 0.50€/night city tax)
